Subject: Support local jobs

Portland's blue-collar harbor jobs will suffer if the cleanup plan is too expensive.

The EPA should come out with a plan that's good for the river and the fish. But you should also make sure that the plan is flexible and isn't so expensive that it drives out the companies that supply the blue-collar jobs our city needs.

Thank you for your time. Please stand up for local jobs in Portland.

Sincerely,

(b) (6)
